

Keyboard Drawer

Save space and work smarter.

The MANHATTAN® Keyboard Drawer offers a practical space-saving solution for small, cramped workstations. It gently and quietly moves on ball-bearing slides to stow most full-sized keyboards under the desktop creating a more useful and functional work area. Three built-in storage compartments help keep pens, pencils, paper clips organized and within handy reach. Easily and quickly installed, the MANHATTAN Keyboard Drawer provides an economical alternative to more expensive and complicated articulating systems.
