

Multi-Surface Cleaning Kit

Alcohol-free, 16 Twin Packets

Model
437042

Helps keep surfaces clean to restore brightness and clarity.

The MANHATTAN Multi-Surface Cleaning Kit gently cleans and removes dirt, fingerprints and smudges from most plastic, metal and glass surfaces, making it ideal for use with flat panel displays, televisions, computer peripherals, office equipment and other electronics. The pre-moistened cleaning sheet safely and thoroughly cleans without harsh solvents or abrasives. The anti-static sheet dries and polishes for a clear, non-streak finish that helps to repel static, dust and dirt.

Safe and Alcohol-Free

Safe for frequent use to help repel damaging debris from accumulating on sensitive devices for longer life and service. The foil, single-use packets easily store in a pocket, desk drawer or notebook computer bag for travel.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all INTELLINET NETWORK SOLUTIONS products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
437042
