

Bluetooth Headset

It's a lightweight and powerful hands-free mobile communications solution.

Compact and lightweight, the MANHATTAN® Bluetooth Headset easily connects to most Bluetooth-enabled mobile telephones to manage hands-free calls conveniently and safely. Its soft, flexible earbud adjusts for a comfortable, precise fit in either ear for true hands-free mobile communications.

Connection and Convenience without the Cord

Advanced calling features include answer/end/reject/transfer call, volume and redial functions to keep users in touch without cumbersome and tangled cords. Delivering up to five hours of talk time and 100 hours of standby time, the MANHATTAN Bluetooth Headset offers convenience, safety and mobility.

Easy Setup with Bluetooth Devices

The MANHATTAN Bluetooth Headset easily connects with Bluetooth-enabled mobile telephones without special software or drivers. When properly paired, it also receives wireless audio transmissions from other Bluetooth-enabled devices, including notebook PCs and PDAs.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
