

# Drive Enclosure

**Hi-Speed USB 2.0, 5.25"**

## **Easily transfer, share and store important data.**

Quickly transfer, share and archive data or expand storage capacities for desktop and notebook PCs. This MANHATTAN® Drive Enclosure supports Hi-Speed USB 2.0 speeds of up to 480 Mbps for fast data transfer.

### **Create New Storage Solutions**

Install an idle, unused drive into a MANHATTAN Drive Enclosure to create new and productive storage solutions. Most standard 5.25" PATA (IDE) drives fit inside the durable aluminum case with a built-in fan that dissipates heat and facilitates cooling.

### **Versatile Solution that Easily Transports**

The lightweight, compact design easily transports to meet most needs. Its matching metal stand provides an alternate vertical mount.

### **Quick and Easy Installation**

Windows and Macintosh compatibility with Plug and Play installation make this MANHATTAN Drive Enclosure ready to use.

### **Lifetime Warranty**

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
