

Mega Cam

**Hi-Speed USB 2.0, 1.3 M Pixels, Auto Tracking,
Built-In Microphone**

Keep in touch and in sight on the Web.

The MANHATTAN® Mega Cam helps improve online communications and experiences with high-quality photos and video. With simple, operation and easy-to-use software, its 1.3 pixel CMOS lens captures crisp and clear images and smooth, steady video to share with family and friends. Automatic color balance, exposure and brightness controls combine with focus and tracking functions for professional results. Special filter and frame effects customize images to add personal appeals.

Easy to Install and Ready to Use

The compact size, attractive finish and Plug and Play installation make it a good accessory for desktop and notebook PCs.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
