Experience full, deep sound in a compact design.

Maximize gaming, music and movie experiences with the MANHATTAN® 2800 Acoustic Series Bookshelf Speaker System. Designed with a piano-gloss finish to complement modern computers, displays and peripherals, its robust two-way speakers, active crossovers and front-firing ports draw listeners into the center of the action. Well-built cabinets crafted from vibration-damping and sonically dense MDF help resonate full bass and wide frequency ranges for superb sound. This compact system makes an excellent computer speaker upgrade for use at home or the office without compromising valuable desktop, shelf space or style.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
