

Hard Drive Cooler

Hard Drive Mount, Dual 60 mm Fans, Aluminum

Model
210799

Helps keep hard drives cool.

Computers and their internal components can generate large amounts of heat during operation. Without reliable and efficient cooling, this heat can contribute to poor performance and lead to a shorter service life and possible system failure. The MANHATTAN® Hard Drive Cooler helps provide sensitive hard drives cool to protect systems and data from failure.

Reliable, Efficient Cooling Solution

The MANHATTAN Hard Drive Cooler is equipped with high-quality sleeve bearings to help deliver efficient, reliable cooling and quiet performance. Easily installed on the underside of a hard drive, the MANHATTAN Hard Drive Cooler helps circulate cool air through the case to dissipate heat away from processors and components to reduce heat damage.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

LIFETIME
WARRANTY

Model
210799

Features

- Helps protect hard drives and data from heat damage
- Dual fans with sleeve bearings deliver quiet, reliable operation
- Durable, lightweight aluminum construction — mounts on the bottom of 3.5" drive
- Four-pin Molex pass-through with two-lead fan power connections for easy installation
- Ideal for new systems, upgrades and replacements
- Lifetime Warranty

Specifications

STANDARDS AND CERTIFICATIONS

- CE
- RU
- CSP
- WEEE
- ISO

GENERAL

- Dual fans with sleeve bearings
- Rated voltage: 12 V DC
- Input current: 0.2 A (maximum)
- Air flow: 18 cfm (maximum)
- Fan speed: 4,000 rpm
- Noise level: 30 dBA (maximum)
- Operating temperature: -10 – 70°C
- Fan dimensions: 60 x 60 x 10 mm

PHYSICAL

- Dimensions: overall, 130 x 130 x 18 mm
- Weight: 135 g (3.2 oz.)

PACKAGE CONTENTS

- Hard Drive Cooler
- Reference guide and mounting screws
